Business

New Venue

Eastwood on the move!

Due to the leasing of the venue next to where we meet the meeting room which we have used will be used by the Granada as their breakfast room for patrons. So

Loretta has done a lot of research of venues in our general area hotels, restaurants most without joy, some with some exceptions and all at an increased cost.

We need to decide

Do we continue meeting on a Wednesday?

The options sussed out by Loretta are the Robin Hood or The Royal Coach, The Arkaba different area no room hire, breakfast Continental \$ 20.00 Cooked Breakfast \$21.00. Late entry Adelaide Bowling Club, Fullarton Community Centre. We as a Club need to put our thinking caps on, let our fingers do the walking and assist Loretta in finding a new venue.

TRAILER RAFFLE

Peter Johnston handed out raffle books to members urging us all to sell our two books.

Tow balls were also asked for!

Please report to Jack if you can assist with a tow ball

There will be a weekend at Anaconda on 21st and 22nd February.

The Caravan and Camping Show will be held from Wednesday 24th until Sunday 28th of February.

Members Please ensure that you are able to spend as many sessions as possible over these days to make the raffle the success it has been in the past years.

Trailer Storage

Does anyone have a shed or carport which we can store the trailer in prior to the Caravan and Camping Show?

DRINKS on FRIDAY

A very pleasant evening was held at Elliot and Mary Dwyers place last Friday week. From all reports it was very difficult to get people off the deck, they apparently disappeared when Elliot appeared in his rowing togs.

Thank you Mary and Elliot.

Cupboard Storage

Peter Henderson is happy to store the paraphernalia cupboard at Netherby.

Guest Speaker Emma Adcock

Emma took part in a Group Study Exchange to Colorado along with Team Leader Michael Cook, Angela and Mandy with the view to experience another Culture, lifestyle and vocational activities. Colorado is in Central America, they were in a town below Denver, the landscape ranges from the Rocky Mountains down to desert plains of a high elevation and in the time that they were there they gave 18 presentations to Rotary Clubs as well as a District Conference.

Emma was well entertained and feted by Rotarians and their partners throughout the time.

From a Vocational point of view with a training in Valuation she was exposed to County assessments

And the Rocky Mountain Institute a place where few of her Rotarian hosts had been so there was a few extras tagging along. The aim of this Institute is to decrease Carbon emissions by reducing the use of fossil fuels.

Emma described some of the social activities including tasting prairie oysters, fortunately she was not required to catch her own!

In closing Emma thanked our Club and in particular the Rotary Foundation which make these GSE experiences possible.

Don, Chair for the day asked for questions before thanking Emma and presenting handing her with our coffee mug.
